

Tulare County Alumnae Panhellenic Conference
Scholarship Committee
Visalia, CA

Dear Prospective Applicant:

The Tulare County Alumnae Panhellenic Conference annually offers scholarships to Tulare County women who already have a national sorority affiliation. They are available to any sorority member in good standing whether on the undergraduate or graduate level. For the graduate student, only a one-time scholarship is offered towards a post-graduate degree. These scholarships are awarded based on financial need in order to continue active sorority membership and academic excellence. For the undergraduate student, the scholarship award will be sent to the current current sorority affiliation to be applied to financial obligations to the chapter.

The necessary application forms may be accessed on the Tulare County Panhellenic Conference website. They will need to be completed and returned to the individual listed below by the deadline:

- One application
- Two Personal References needed from the following: one from a sorority advisor and the other a personal reference. These completed reference forms may be enclosed with the completed application or those individuals may send them directly to the name and address given below. In the latter case, provide a stamped, self-addressed envelope with each of the reference forms to those completing them for a prompt reply.
- A personal letter explaining your educational goals, interests, and nature of your financial need. This letter should assist the scholarship committee in making its decisions.
- A copy of your college transcripts, or grades from the student portal.

We hope you choose to pursue our scholarship opportunities and look forward to receiving your completed application. Please submit this document and the requested corresponding information to the committee chairman by July 1, 2026.

Yours truly,
Trish Burr
Tulare County Alumnae Panhellenic Scholarship Chairwoman
